

## Anti-plagiarism statement

I declare that I subscribe to the principle of academic honesty, and I give my assurance to the University of Italian Switzerland that I will personally write the work that I will be required to submit as part of my university education, in particular the papers submitted for the purpose of obtaining the respective diplomas, with the exception of quotations, whose sources I will exhaustively cite. This undertaking means that no part will be copied, in particular from scholarly publications, documents found on the internet or other works already presented in the academic field, by me or by other students.

I declare that I have taken note of the penalties for plagiarism as provided by article 49 of the Regulations of Studies and Examinations of the Academy of Architecture and that I am aware of the civil and criminal consequences that I may incur in case of violation of the above rules.
